Well, I did it again!

„You want me to do WHAT? … To get inside that machine? Inside THAT thing? NO FUCKING WAY! … You are kidding me. WHAT? It's safe? COME ON! I'm fucking NOT interested if it shows off every kind of metal on someone's ass without going all 'beep-beep-beep' … I don't trust these technologies. That machine looks like a fucking toaster … I'm Lars Ulrich, I wanna get beeped! … WHAT? You don't know me? EVERYFUCKINGBODY knows Lars Ulrich! UN-BE-LIE-VA-BLE! That machine gets me naked, right? I KNEW IT! You just wanna have a look at Lars Ulrich's cock for free".
